This rider includes the band's requirements related to sound, technical equipment, stage parameters, logistics for the show, services and accommodations.

If the Purchaser is not capable of fulfilling any of the following requirements, they should immediately contact the band's management to arrange an alternate solution.

DOOMAS travel party usually consists of 4 to 7 persons, depending on the type of the event. Please verify with management !

TECHNICAL REQUIREMENTS:

Prior to setting up the set/gear, the band requires a clean stage without any microphone stands, cases, previous band's instruments and other items not related to the band's performance. The band requires a safe 230V electrical network on stage.

Doomas carries their **own backline including full drumkit, guitar/bass amps, mic stand and fog machines.**

Minimum stage requirements are 6x4 meters. If there is a stage for drums **we need a 3x2 meters drum riser.**

Backline requirements:

- 2x Guitar boxes 4x12 (Marshall/Mesa/Engl)
- 1x Bass box (Ampeg/Orange,GR Bass)
- 3x DI Box near drums

Backdrop - 6x4 meters, or 4x2,5 meters or 3x1 meters

Sidedrops - 1,8x1,5 meters on each side

We will bring 2 strong FOG MACHINES.

Please prepare good quality electric plugs for these.

MERCHANDISE:

The band needs a 1 meter table with free space and good lighting. Usually a person that takes care of merchandise is a part of the crew. If this person is unavailable, the venue or promoter provides a person who will assist with sales.

TRANSPORT:

The band and crew will arrive on a white Iveco Daily (ZC 157BO). The Purchaser will inform the band's management/crew about the exact time and place of the band's arrival. They will also provide a safe parking spot near the unloading gate.

ACCOMMODATION:

The band and crew require clean and proper rooms, each with single beds and a private toilet and shower. Time of departure from accommodation on the next day must be on or after 11:00. Accommodation must include a safe parking spot for the band's van.

DRESSING ROOM AND CATERING:

The band would like (according to the venue's capabilities) one clean, lockable dressing room, preferably with a private toilet. Access to the dressing room will be available only to the band and the crew.

CATERING REQUIREMENTS:

- Full hot meal for the band and crew members
- Bottles of still water on stage and in backstage
- Beer
- Some fruits/snacks/nuts
- 2 litres of Juice
- 6x Red Bull
- 2 litres of Coca Cola
- 1x bottle of Jameson or Jack Daniels

If a hot meal is not a possibility, we would like to have pizza or sandwiches.

If you have any questions feel free to ask !
